

Available Formations

If an undesignated Formation suffers a Spoiling Attack, place in the Tier 2 Green Unused Box.

New Reinforcements

Tier 1

Primary

- Second Activations allowed.
- Available Allotment must be expended.

Pre-Designated

SNAFU DRM:
+0

Done

Surge

- Second Activations allowed.
- Available Allotment must be expended.

Pre-Designated

SNAFU DRM:
+1

Done

Spoiled

- Second Activations allowed.
- Cannot be a Recovery Activation or a Failure Flip. **Exception:** Recovery is permitted if Fat-4.

SNAFU DRM:
-1

Unused

Done

Move Formation marker to the Green Unused Box in the Spoiled Box if the Formation suffers a Spoiling Attack.

Pre-Designate all Formations expending all Primary or Surge Allotments in the Orders Phase (even if BCS 2.4 is not used).

Activate all friendly Tier 1 Formations before any friendly Tier 2 Formation can Activate.

Spoiling Attacks

- If a Spoiling Attack applies, move the target Formation marker to the Unused Box of the Spoiled Box (Tier 1 or 2 as appropriate). Spoiling Attacks have no effect on Done Formations.
- A Spoiling Attack applies when an Unused Formation suffers:
 - At least one Step Loss from the *Combat, Engagement, or Barrage Tables*.
 - OR its HQ and/or Combat Trains are Jumped (Soft or Hard Jumps).
- A Spoiled Formation **must** Activate.

Tier 2

Formations remaining in the Available Formations Box need not be **pre-designated** to use Tier 2. Formations sent to the Green “Unused” Box **must** Activate.

Response

- Second Activations allowed.
- Available Allotment must be expended.

SNAFU DRM:
