Page 6 - Scenario 2, second VP condition

CLARIFICATION: After the second initiative win with a roll of 6, all effects of Command Paralysis are over. Assume that is when Command Paralysis "ends" for the purposes of the Elzey Special Rule.

CLARIFICATION: "Union units can only perform retreat marches on turns 1 & 2" should read "Union units can perform retreat marches on turns 1 & 2 only, not on turn 3".
