

No Question of Surrender Errata 9/16/12

Page 15: *Setup*

90. leichte Afrika Division Dispatch Rating should be 1 not 2 (the setup chart is correct).

Map

The hexes 18.10; 24.13; 27.15; 27.16 should all have a white circle around them as they are within the Bir Hacheim perimeter.

Hex 37.22 is missing its center dot. It is a desert hex.

Counters

The "2 DBS" Formation Activation Chit is incorrectly labelled as "1 DBS".

The two zero-step Units Indian Guns (French Unit) and StuG/z.b.V.288 (German Unit) should have no Assault Rating, as they are immediately eliminated is assaulted.

Clarifications

References to the 103 Ariete Division should of course be the 132 Ariete Division.

Page 4: *4.3 Minfield*

When leaving a minefield hex that contains a barrage marker the +2 to the movement for the barrage marker is applied before the movement costs are doubled for leaving the minefield hex.

Page 17: *Victory Conditions*

If the French are performing the withdrawal on June 10th, no path has to be traced by the Travers Counter.
